Background

The Trust was set up in December 1988 from the proceeds of the sale of St Hilda's Approved School and Community Home.

St Hilda's Trust supports charities and organisations who work with disadvantaged groups, particularly for the benefit of children, young people and vulnerable adults within the boundaries of Newcastle Diocese (Northumberland, North Tyneside and Newcastle). The Trust could benefit parishes who have plans to engage with groups of all ages, offering funding to get your project started.

The Trust offers grants for charitable purposes, although the organisations don't have to be registered charities. Particular consideration will be given to projects where there is church involvement or interest.
